The Confined Arts

Pastor Isaac Scott is the Program Director for [The Confined Arts](#) and the Arts and Communications Coordinator for the Center for Justice at Columbia University. He is also one of the guest artists featured in the new Gallery35 art exhibit, *Time Served!*.

Pastor Isaac will speak about his experiences and his current project [From the Inside Out](#). The project is studying the importance of humane treatment of people in prison. Mistreatment is not conducive to successful reentry back into society. Why is recidivism over 76% in the United States and 20% in Norway? Come learn more about this important topic.

We will have an opportunity to visit the Gallery and see the exhibit after the Tea.
