

JOB OPPORTUNITIES AND HIRING AGENCIES' CONTACT INFORMATION

Prevention Programs Virtual Recruitment Event
 July 7-9, 2020
 Hosted by NYC Administration for Children's Services

Prevention Programs are the perfect place to learn all about families and communities and where you will get a first-rate clinical education around how to help people respectfully and interact with multiple systems. It's an amazing foundation for a social service career.

-- Valerie Segal, Division Director for Good Shepherd Services

Thank you for attending the Prevention Programs Virtual Recruitment Forum. Below you will find information from all attending provider agencies on their open positions and next steps you should take should you be interested in applying.

Prevention services seek to strengthen and stabilize families by providing case management, building parenting skills, and offering therapeutic interventions. These services are aimed at keeping children safely at home and supporting families as they work towards their goals, and are an ideal environment for new or seasoned social service professionals to nurture their clinical skills while contributing to change on multiple levels. Agencies below offer benefits packages, clinical supervision, and growth opportunities.
